Offers Over £150,000

An Excellent Development Opportunity To Take On A Sizeable Site In A Well Connected And Accessible Village Setting; The Site Has Previously Had Full Planning Consent For The Build Of Four Detached Family Homes Plus A Detached Office Suite But Would Be Equally Well Suited To A Commercial Work Site

Extending to approximately 0.65 acre, this sizeable site is well located in the heart of Gordon village with an established access off the A6089. The plot has benefited from full planning consent for the build of four executive style detached family homes, plus a detached two storey dedicated office suite, although the permissions have recently lapsed. Its expected that a purchaser would easily be able to reinstate the consents if desired.

This site presents an exciting opportunity for developers to take on a project that would provide sizeable family homes, something that there is high demand for in the area. The village benefits from a primary school and is within the catchment area for the highly regarded Earlston High School, making this area a popular choice for families.

The area also enjoys good road and rail connections to Edinburgh providing a great alternative to city living for those seeking to escape the hustle and bustle. The dedicated office building is a great opportunity for businesses to establish themselves within an active village community and contribute positively to the local economy.

Alternatively this well positioned site, with excellent access would be equally well suited to those in search of a commercial business site.

LOCATION

Gordon village has a general store, church and pub together with an excellent small primary school with nursery which falls within the catchment area of the renowned Earlston High School. The nearby towns of Earlston and Kelso offer a good range of shops and services with Edinburgh a very commutable 45 minutes' drive away or 40 mins by train via the nearby Tweedbank Station.
