Residential Building Plot In Town Central Position Within Easy Reach Of Amenities And Transport Links.

THE VALLEY PLOT

Town centre building plot extending to approx. 0.45 HA has previously had planning permission granted for the erection of four dwelling houses and associated works which was approved in March 2021, however would also be a great site for a private developer to create a single dwelling subject to change of permissions. The site originally housed the former Baptist Church which was demolished in the early 2000s.

LOCATION

The plot is ideally placed within Selkirk for all town centre amenities; with a good selection of small local shops providing for everyday requirements, and schools from nursery to secondary level all easily accessible. The property also benefits from easy access to Edinburgh via the A7 and is within easy reach of the new Borders rail connections with the opening of the Waverley Line and new stations at Galashiels and Tweedbank. The area has good road and bus connections to all central Borders towns and is surrounded by beautiful countryside with rolling hills and scenic valleys all close to hand.
