Property Description

Tastefully presented and exceptionally spacious, this five-bedroom detached family home enjoys a peaceful end-of-cul-de-sac setting beside open green space in the desirable semi-rural village of Kirknewton. Boasting generous gardens, a double garage and driveway, and wonderful open views across surrounding farmland, the property perfectly balances countryside tranquillity with excellent commuter links. Comprises: halls, a living room, a dining room, a kitchen, utility rooms, a sunroom, five flexible double bedrooms, two en-suites, a family bathroom, and a ground-floor shower room. Features include a quality, fitted kitchen with integrated appliances, generous luxury bathrooms, light, tasteful decor, gas central heating, double glazing, and contemporary flooring. Additionally, there is superb storage provision, including integrated bedroom wardrobes, a walk-in dresser for the master bedroom, a loft and a double garage with power and lighting. Externally, the property benefits from a generous plot that incorporates lawns, tall privacy hedging, an adjoining greenhouse, and the double driveway.

A welcoming outdoor porch leads through a glazed door into a wide reception hall, providing access to much of the ground floor, including a practical understair storage cupboard. Positioned to the front, the bright and elegant living room is enhanced by a bay window that fills the space with natural light, complemented by neutral decor and carpeted flooring. To the rear, the well-proportioned kitchen is fitted with quality units, marble-effect worktops, tiled splashbacks and a sink with a drainer. Integrated appliances include an eye-level double oven, a gas hob with an extractor hood, a fridge/freezer and a dishwasher. Finished with tiled flooring and spotlighting, the kitchen flows seamlessly into a generous sun room—currently arranged as a gym—where expansive glazing creates a wonderfully light-filled space, with superb farmland views and patio doors opening directly onto the rear garden. Set off the kitchen, a separate utility room offers additional fitted storage, a sink, and space for laundry appliances, while a second utility/boot room provides flexible storage and direct external access—ideal for family life. Also to the rear, a versatile dining room (presently used as a home office) connects to the sun room. Completing the ground floor accommodation is a further front-facing office, as well as a contemporary shower room featuring a modern suite, tiled finishes and a ladder-style radiator.

Upstairs, the particularly spacious master bedroom enjoys twin windows, fitted carpeting, an impressive walk-in dressing room with built-in wardrobes, and a generous en-suite bathroom complete with separate bath and large shower enclosure, tiled surrounds, spotlighting and a heated towel radiator. Bedroom two also benefits from an en-suite shower room and built-in wardrobe storage, while three further well-proportioned bedrooms each include integrated wardrobes. A family bathroom fitted with a traditional-style suite, shower over bath, tiled finishes, a fitted mirror and a heated towel rail completes the accommodation.
