The property offers an extraordinary level of versatility, with substantial, newly refurbished self-contained accommodation providing a wealth of possibilities. Whether utilised for multi-generational living, guest accommodation, home-working arrangements or income generation through holiday letting, the layout has been designed to adapt to a wide range of modern lifestyle requirements.

The principal reception rooms are particularly impressive, offering elegant entertaining spaces filled with natural light and showcasing the property's architectural significance. The accommodation balances formal and informal living areas with ease, creating a home that is equally suited to everyday family life and larger-scale entertaining

Externally, the property enjoys private walled gardens and an attractive continental style courtyard, providing charming and highly usable outdoor space that complements the character of the house whilst remaining manageable and low maintenance. The existing dropped kerb and gated frontage also offer potential for private off-street parking, a valuable feature within such a central location.

Situated in the heart of the town, The Old Bank enjoys immediate access to a wide range of local amenities, independent shops, cafés, restaurants and transport links. The property is particularly well positioned for buyers seeking the character and scale of a distinguished period home without sacrificing convenience, perfect for discerning purchasers seeking space, lifestyle and
